7's	14 min	\$10	\$7
Allocator Fee	\$25/day of tournament		
All tournaments must also pay 20% Referee Development Fee*			

* The Referee Development Fee goes towards the cost of running referee courses at a reduced rate to new potential referees. Since tournaments are a time when all referees who make themselves available put themselves at risk by refereeing more games per day than they should, we are trying to encourage tournament organizers to encourage their own members to learn to referee because ERURS coverage is unfortunately getting thinner.
